Missouri Maternity Home Tax Credits*

Blessings for those who are charitable! In the state of Missouri, any donor who pays Missouri income taxes and donates between the amounts of \$100 and \$50,000 to Our Lady's Inn, is eligible to claim the Missouri Maternity Home Tax Credit.

What this means for you is that once you make your donation, and claim this gift as a deduction on your taxes, in addition to your normal federal and state deductions, you will also receive fifty percent of the gift back on your Missouri state taxes.

For example, if you make a \$10,000 donation to Our Lady's Inn, you will receive your normal federal and state tax deductions, plus you will receive an additional \$5,000 off your state tax liability. You may be wondering what what would happen to the extra tax credit if you only owed \$1,000 on your state taxes. Well, the good news is that you can carry this credit forward and use it against your state tax liability for the next four consecutive years until the full credit has been taken.
